
ARMOURCOAT®
SURFACE FINISHES

POLISHED PLASTER

KonCrete®

Armourcoat KonCrete® is an urban range of polished plaster colours and finishes designed for contemporary projects.

The range offers a wealth of design options to achieve a distinctive modern look, including distressed effects or recessed 'shutter' markings.

We can match to existing concrete or decorative elements to give you the perfect effect.

- A natural mineral product created from ultra-fine lime putty, marble powder and special additives
- Contains 40% pre-consumer recycled marble
- Low VOCs
- Class '0' / 'A' fire-rating
